COMMITTAL

As we say our final farewell to Margaret

CLOSING POEM

Our Shining Light

The time has come to say goodbye
To someone we hold dear
Just in this room alone
The love for you is clear

You will always be our shining light
Having lived life to the full
Filled with fun and laughter
Time with you was never dull

Acceptance, honesty and humour
You taught us all so much
Your words of wisdom and guidance
Always with a gentle touch

Memories of you are constantly with us
And we promise you today
That you will not be forgotten
In our thoughts, our actions and every single way

A golden heart stopped beating
But your love will long shine bright
So until the day we meet again
Sweet dreams, good night, sleep tight
