POEM - SHE IS GONE

Read by Sophie

You can shed tears that she is gone
Or you can smile because she has lived

You can close your eyes and pray that she will come back
Or you can open your eyes and see all that she has left

Your heart can be empty because you can't see her
Or you can be full of the love that you shared

You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday

You can remember her and only that she is gone
Or you can cherish her memory and let it live on

You can cry and close your mind, be empty and turn your back
Or you can do what she would want: smile, open your eyes, love and go on.

POEM

Smile

By Spike Milligan

Smiling is infectious,
you catch it like the flu,
When someone smiled at me today,
I started smiling too.

I passed around the corner
and someone saw my grin.
When he smiled I realized
I'd passed it on to him.

I thought about that smile,
then I realized its worth.
A single smile, just like mine
could travel round the earth.

So, if you feel a smile begin,
don't leave it undetected.
Let's start an epidemic quick,
and get the world infected!
